Dear families,

We certainly have had a busy few weeks. They are all settling in really well and we're seeing so many friendships develop.

The teachers have now decided upon their focus children and in the next week you will receive an email from your child's key teacher. This teacher will be your main contact and will write your child's Individual Learning Plan (end of term 1) and Statement of Learning (end of term 4).

We will be offering 'Parent Chats' early in Term 2 where you will have a chance to have a short chat with your child's key teacher about their Individual Learning Plan. However if you have any questions or concerns please touch base now.

Annual General Meeting

Thankyou to those parents who attended our AGM on March 9. We had 7 parents attend and 5 apologies so we have a wonderful parent group going forward. If you're still interested in joining us please let us know. We are going to meet twice a term on Tuesday evenings.

Baha - Ayyam-i-Ha Festival

This year we have an Iranian & Pakistani family at preschool who offered to help us learn about their culture. Towards the end of February and the beginning of March Baha families celebrate a Festival called Ayyam-i-Ha.

Ayyam-i-Ha is celebrated by Baha'is' in countries all over the world. During this time families focus more than usual on generosity, love, compassion and friendship.

Staff read a short story with the children highlighting how we can all remember this in our everyday lives. The children then showed caring and friendship towards each other by drawing a picture for another child for them to could take home.

Thank you to Ellie, Elvin & Micah for sharing this with us.

Reporting children's learning

The children each have a learning portfolio that we will add to over the year. It will include curriculum information 'learning snapshots', photos, drawings, paintings and other pieces. The portfolios are kept on the shelf in the reading corner and you are welcome to have a look at them at any time. It is our plan to send them home later in the term for you to look at together.

From time to time we will be emailing you ***Learning Snapshots*** that show your child's learning these will be published and included in your child's portfolio.

You can find a copy of our program on the notice board.

Last week we emailed all families some LEARNING SNAPSHOTS showing some of the learning and routines that are part of our day. We hope you take some time to have a look at these.

Dear families,

We certainly have had a busy few weeks. They are all settling in really well and we're seeing so many friendships develop.

The teachers have now decided upon their focus children and in the next week you will receive an email from your child's key teacher. This teacher will be your main contact and will write your child's Individual Learning Plan (end of term 1) and Statement of Learning (end of term 4).

We will be offering 'Parent Chats' early in Term 2 where you will have a chance to have a short chat with your child's key teacher about their Individual Learning Plan. However if you have any questions or concerns please touch base now.

Annual General Meeting

Thankyou to those parents who attended our AGM on March 9. We had 7 parents attend and 5 apologies so we have a wonderful parent group going forward. If you're still interested in joining us please let us know. We are going to meet twice a term on Tuesday evenings.

Baha - Ayyam-i-Ha Festival

This year we have an Iranian & Pakistani family at preschool who offered to help us learn about their culture. Towards the end of February and the beginning of March Baha families celebrate a Festival called Ayyam-i-Ha.

Ayyam-i-Ha is celebrated by Baha'is' in countries all over the world. During this time families focus more than usual on generosity, love, compassion and friendship.

Staff read a short story with the children highlighting how we can all remember this in our everyday lives. The children then showed caring and friendship towards each other by drawing a picture for another child for them to could take home.

Thank you to Ellie, Elvin & Micah for sharing this with us.

Reporting children's learning

The children each have a learning portfolio that we will add to over the year. It will include curriculum information 'learning snapshots', photos, drawings, paintings and other pieces. The portfolios are kept on the shelf in the reading corner and you are welcome to have a look at them at any time. It is our plan to send them home later in the term for you to look at together.

From time to time we will be emailing you ***Learning Snapshots*** that show your child's learning these will be published and included in your child's portfolio.

You can find a copy of our program on the notice board.

Last week we emailed all families some LEARNING SNAPSHOTS showing some of the learning and routines that are part of our day. We hope you take some time to have a look at these.

Dear families,

We certainly have had a busy few weeks. They are all settling in really well and we're seeing so many friendships develop.

The teachers have now decided upon their focus children and in the next week you will receive an email from your child's key teacher. This teacher will be your main contact and will write your child's Individual Learning Plan (end of term 1) and Statement of Learning (end of term 4).

We will be offering 'Parent Chats' early in Term 2 where you will have a chance to have a short chat with your child's key teacher about their Individual Learning Plan. However if you have any questions or concerns please touch base now.

Annual General Meeting

Thankyou to those parents who attended our AGM on March 9. We had 7 parents attend and 5 apologies so we have a wonderful parent group going forward. If you're still interested in joining us please let us know. We are going to meet twice a term on Tuesday evenings.

Baha - Ayyam-i-Ha Festival

This year we have an Iranian & Pakistani family at preschool who offered to help us learn about their culture. Towards the end of February and the beginning of March Baha families celebrate a Festival called Ayyam-i-Ha.

Ayyam-i-Ha is celebrated by Baha'is' in countries all over the world. During this time families focus more than usual on generosity, love, compassion and friendship.

Staff read a short story with the children highlighting how we can all remember this in our everyday lives. The children then showed caring and friendship towards each other by drawing a picture for another child for them to could take home.

Thank you to Ellie, Elvin & Micah for sharing this with us.

Reporting children's learning

The children each have a learning portfolio that we will add to over the year. It will include curriculum information 'learning snapshots', photos, drawings, paintings and other pieces. The portfolios are kept on the shelf in the reading corner and you are welcome to have a look at them at any time. It is our plan to send them home later in the term for you to look at together.

From time to time we will be emailing you **Learning Snapshots** that show your child's learning these will be published and included in your child's portfolio.

You can find a copy of our program on the notice board.

Last week we emailed all families some LEARNING SNAPSHOTS showing some of the learning and routines that are part of our day. We hope you take some time to have a look at these.

Dear families,

We certainly have had a busy few weeks. They are all settling in really well and we're seeing so many friendships develop.

The teachers have now decided upon their focus children and in the next week you will receive an email from your child's key teacher. This teacher will be your main contact and will write your child's Individual Learning Plan (end of term 1) and Statement of Learning (end of term 4).

We will be offering 'Parent Chats' early in Term 2 where you will have a chance to have a short chat with your child's key teacher about their Individual Learning Plan. However if you have any questions or concerns please touch base now.

Annual General Meeting

Thankyou to those parents who attended our AGM on March 9. We had 7 parents attend and 5 apologies so we have a wonderful parent group going forward. If you're still interested in joining us please let us know. We are going to meet twice a term on Tuesday evenings.

Baha - Ayyam-i-Ha Festival

This year we have an Iranian & Pakistani family at preschool who offered to help us learn about their culture. Towards the end of February and the beginning of March Baha families celebrate a Festival called Ayyam-i-Ha.

Ayyam-i-Ha is celebrated by Baha'is' in countries all over the world. During this time families focus more than usual on generosity, love, compassion and friendship.

Staff read a short story with the children highlighting how we can all remember this in our everyday lives. The children then showed caring and friendship towards each other by drawing a picture for another child for them to could take home.

Thank you to Ellie, Elvin & Micah for sharing this with us.

Reporting children's learning

The children each have a learning portfolio that we will add to over the year. It will include curriculum information 'learning snapshots', photos, drawings, paintings and other pieces. The portfolios are kept on the shelf in the reading corner and you are welcome to have a look at them at any time. It is our plan to send them home later in the term for you to look at together.

From time to time we will be emailing you ***Learning Snapshots*** that show your child's learning these will be published and included in your child's portfolio.

You can find a copy of our program on the notice board.

Last week we emailed all families some LEARNING SNAPSHOTS showing some of the learning and routines that are part of our day. We hope you take some time to have a look at these.

Dear families,

We certainly have had a busy few weeks. They are all settling in really well and we're seeing so many friendships develop.

The teachers have now decided upon their focus children and in the next week you will receive an email from your child's key teacher. This teacher will be your main contact and will write your child's Individual Learning Plan (end of term 1) and Statement of Learning (end of term 4).

We will be offering 'Parent Chats' early in Term 2 where you will have a chance to have a short chat with your child's key teacher about their Individual Learning Plan. However if you have any questions or concerns please touch base now.

Annual General Meeting

Thankyou to those parents who attended our AGM on March 9. We had 7 parents attend and 5 apologies so we have a wonderful parent group going forward. If you're still interested in joining us please let us know. We are going to meet twice a term on Tuesday evenings.

Baha - Ayyam-i-Ha Festival

This year we have an Iranian & Pakistani family at preschool who offered to help us learn about their culture. Towards the end of February and the beginning of March Baha families celebrate a Festival called Ayyam-i-Ha.

Ayyam-i-Ha is celebrated by Baha'is' in countries all over the world. During this time families focus more than usual on generosity, love, compassion and friendship.

Staff read a short story with the children highlighting how we can all remember this in our everyday lives. The children then showed caring and friendship towards each other by drawing a picture for another child for them to could take home.

Thank you to Ellie, Elvin & Micah for sharing this with us.

Reporting children's learning

The children each have a learning portfolio that we will add to over the year. It will include curriculum information 'learning snapshots', photos, drawings, paintings and other pieces. The portfolios are kept on the shelf in the reading corner and you are welcome to have a look at them at any time. It is our plan to send them home later in the term for you to look at together.

From time to time we will be emailing you ***Learning Snapshots*** that show your child's learning these will be published and included in your child's portfolio.

You can find a copy of our program on the notice board.

Last week we emailed all families some LEARNING SNAPSHOTS showing some of the learning and routines that are part of our day. We hope you take some time to have a look at these.

Reporting children's learning

The children each have a learning portfolio that we will add to over the year. It will include curriculum information 'learning snapshots', photos, drawings, paintings and other pieces. The portfolios are kept on the shelf in the reading corner and you are welcome to have a look at them at any time. It is our plan to send them home later in the term for you to look at together.

From time to time we will be emailing you ***Learning Snapshots*** that show your child's learning these will be published and included in your child's portfolio.

You can find a copy of our program on the notice board.

Last week we emailed all families some LEARNING SNAPSHOTS showing some of the learning and routines that are part of our day. We hope you take some time to have a look at these.

Dear families,

We certainly have had a busy few weeks. They are all settling in really well and we're seeing so many friendships develop.

The teachers have now decided upon their focus children and in the next week you will receive an email from your child's key teacher. This teacher will be your main contact and will write your child's Individual Learning Plan (end of term 1) and Statement of Learning (end of term 4).

We will be offering 'Parent Chats' early in Term 2 where you will have a chance to have a short chat with your child's key teacher about their Individual Learning Plan. However if you have any questions or concerns please touch base now.

Annual General Meeting

Thankyou to those parents who attended our AGM on March 9. We had 7 parents attend and 5 apologies so we have a wonderful parent group going forward. If you're still interested in joining us please let us know. We are going to meet twice a term on Tuesday evenings.

Baha - Ayyam-i-Ha Festival

This year we have an Iranian & Pakistani family at preschool who offered to help us learn about their culture. Towards the end of February and the beginning of March Baha families celebrate a Festival called Ayyam-i-Ha.

Ayyam-i-Ha is celebrated by Baha'is' in countries all over the world. During this time families focus more than usual on generosity, love, compassion and friendship.

Staff read a short story with the children highlighting how we can all remember this in our everyday lives. The children then showed caring and friendship towards each other by drawing a picture for another child for them to could take home.

Thank you to Ellie, Elvin & Micah for sharing this with us.

Staff read a short story with the children highlighting how we can all remember this in our everyday lives. The children then showed caring and friendship towards each other by drawing a picture for another child for them to could take home.

Thank you to Ellie, Elvin & Micah for sharing this with us.

Reporting children's learning

The children each have a learning portfolio that we will add to over the year. It will include curriculum information 'learning snapshots', photos, drawings, paintings and other pieces. The portfolios are kept on the shelf in the reading corner and you are welcome to have a look at them at any time. It is our plan to send them home later in the term for you to look at together.

From time to time we will be emailing you ***Learning Snapshots*** that show your child's learning these will be published and included in your child's portfolio.

Dear families,

We certainly have had a busy few weeks. They are all settling in really well and we're seeing so many friendships develop.

The teachers have now decided upon their focus children and in the next week you will receive an email from your child's key teacher. This teacher will be your main contact and will write your child's Individual Learning Plan (end of term 1) and Statement of Learning (end of term 4).

We will be offering 'Parent Chats' early in Term 2 where you will have a chance to have a short chat with your child's key teacher about their Individual Learning Plan. However if you have any questions or concerns please touch base now.

Annual General Meeting

Thankyou to those parents who attended our AGM on March 9. We had 7 parents attend and 5 apologies so we have a wonderful parent group going forward. If you're still interested in joining us please let us know. We are going to meet twice a term on Tuesday evenings.

Baha - Ayyam-i-Ha Festival

This year we have an Iranian & Pakistani family at preschool who offered to help us learn about their culture. Towards the end of February and the beginning of March Baha families celebrate a Festival called Ayyam-i-Ha.

Ayyam-i-Ha is celebrated by Baha'is' in countries all over the world. During this time families focus more than usual on generosity, love, compassion and friendship.

Staff read a short story with the children highlighting how we can all remember this in our everyday lives. The children then showed caring and friendship towards each other by drawing a picture for another child for them to could take home.

Thank you to Ellie, Elvin & Micah for sharing this with us.

Reporting children's learning

The children each have a learning portfolio that we will add to over the year. It will include curriculum information 'learning snapshots', photos, drawings, paintings and other pieces. The portfolios are kept on the shelf in the reading corner and you are welcome to have a look at them at any time. It is our plan to send them home later in the term for you to look at together.

From time to time we will be emailing you ***Learning Snapshots*** that show your child's learning these will be published and included in your child's portfolio.

You can find a copy of our program on the notice board.

Last week we emailed all families some LEARNING SNAPSHOTS showing some of the learning and routines that are part of our day. We hope you take some time to have a look at these.

Dear families,

We certainly have had a busy few weeks. They are all settling in really well and we're seeing so many friendships develop.

The teachers have now decided upon their focus children and in the next week you will receive an email from your child's key teacher. This teacher will be your main contact and will write your child's Individual Learning Plan (end of term 1) and Statement of Learning (end of term 4).

We will be offering 'Parent Chats' early in Term 2 where you will have a chance to have a short chat with your child's key teacher about their Individual Learning Plan. However if you have any questions or concerns please touch base now.

Annual General Meeting

Thankyou to those parents who attended our AGM on March 9. We had 7 parents attend and 5 apologies so we have a wonderful parent group going forward. If you're still interested in joining us please let us know. We are going to meet twice a term on Tuesday evenings.

Baha - Ayyam-i-Ha Festival

This year we have an Iranian & Pakistani family at preschool who offered to help us learn about their culture. Towards the end of February and the beginning of March Baha families celebrate a Festival called Ayyam-i-Ha.

Ayyam-i-Ha is celebrated by Baha'is' in countries all over the world. During this time families focus more than usual on generosity, love, compassion and friendship.

Staff read a short story with the children highlighting how we can all remember this in our everyday lives. The children then showed caring and friendship towards each other by drawing a picture for another child for them to could take home.

Thank you to Ellie, Elvin & Micah for sharing this with us.

Reporting children's learning

The children each have a learning portfolio that we will add to over the year. It will include curriculum information 'learning snapshots', photos, drawings, paintings and other pieces. The portfolios are kept on the shelf in the reading corner and you are welcome to have a look at them at any time. It is our plan to send them home later in the term for you to look at together.

From time to time we will be emailing you ***Learning Snapshots*** that show your child's learning these will be published and included in your child's portfolio.

You can find a copy of our program on the notice board.

Last week we emailed all families some LEARNING SNAPSHOTS showing some of the learning and routines that are part of our day. We hope you take some time to have a look at these.

Dear families,

We certainly have had a busy few weeks. They are all settling in really well and we're seeing so many friendships develop.

The teachers have now decided upon their focus children and in the next week you will receive an email from your child's key teacher. This teacher will be your main contact and will write your child's Individual Learning Plan (end of term 1) and Statement of Learning (end of term 4).

We will be offering 'Parent Chats' early in Term 2 where you will have a chance to have a short chat with your child's key teacher about their Individual Learning Plan. However if you have any questions or concerns please touch base now.

Annual General Meeting

Thankyou to those parents who attended our AGM on March 9. We had 7 parents attend and 5 apologies so we have a wonderful parent group going forward. If you're still interested in joining us please let us know. We are going to meet twice a term on Tuesday evenings.

Baha - Ayyam-i-Ha Festival

This year we have an Iranian & Pakistani family at preschool who offered to help us learn about their culture. Towards the end of February and the beginning of March Baha families celebrate a Festival called Ayyam-i-Ha.

Ayyam-i-Ha is celebrated by Baha'is' in countries all over the world. During this time families focus more than usual on generosity, love, compassion and friendship.

Staff read a short story with the children highlighting how we can all remember this in our everyday lives. The children then showed caring and friendship towards each other by drawing a picture for another child for them to could take home.

Thank you to Ellie, Elvin & Micah for sharing this with us.

Reporting children's learning

The children each have a learning portfolio that we will add to over the year. It will include curriculum information 'learning snapshots', photos, drawings, paintings and other pieces. The portfolios are kept on the shelf in the reading corner and you are welcome to have a look at them at any time. It is our plan to send them home later in the term for you to look at together.

From time to time we will be emailing you ***Learning Snapshots*** that show your child's learning these will be published and included in your child's portfolio.

You can find a copy of our program on the notice board.

Last week we emailed all families some LEARNING SNAPSHOTS showing some of the learning and routines that are part of our day. We hope you take some time to have a look at these.

Dear families,

We certainly have had a busy few weeks. They are all settling in really well and we're seeing so many friendships develop.

The teachers have now decided upon their focus children and in the next week you will receive an email from your child's key teacher. This teacher will be your main contact and will write your child's Individual Learning Plan (end of term 1) and Statement of Learning (end of term 4).

We will be offering 'Parent Chats' early in Term 2 where you will have a chance to have a short chat with your child's key teacher about their Individual Learning Plan. However if you have any questions or concerns please touch base now.

Annual General Meeting

Thankyou to those parents who attended our AGM on March 9. We had 7 parents attend and 5 apologies so we have a wonderful parent group going forward. If you're still interested in joining us please let us know. We are going to meet twice a term on Tuesday evenings.

Baha - Ayyam-i-Ha Festival

This year we have an Iranian & Pakistani family at preschool who offered to help us learn about their culture. Towards the end of February and the beginning of March Baha families celebrate a Festival called Ayyam-i-Ha.

Ayyam-i-Ha is celebrated by Baha'is' in countries all over the world. During this time families focus more than usual on generosity, love, compassion and friendship.

Staff read a short story with the children highlighting how we can all remember this in our everyday lives. The children then showed caring and friendship towards each other by drawing a picture for another child for them to could take home.

Thank you to Ellie, Elvin & Micah for sharing this with us.

Reporting children's learning

The children each have a learning portfolio that we will add to over the year. It will include curriculum information 'learning snapshots', photos, drawings, paintings and other pieces. The portfolios are kept on the shelf in the reading corner and you are welcome to have a look at them at any time. It is our plan to send them home later in the term for you to look at together.

From time to time we will be emailing you ***Learning Snapshots*** that show your child's learning these will be published and included in your child's portfolio.

You can find a copy of our program on the notice board.

Last week we emailed all families some LEARNING SNAPSHOTS showing some of the learning and routines that are part of our day. We hope you take some time to have a look at these.

Newsletter - February, 2021

Dear families,

We certainly have had a busy few weeks. They are all settling in really well and we're seeing so many friendships develop.

The teachers have now decided upon their focus children and in the next week you will receive an email from your child's key teacher. This teacher will be your main contact and will write your child's Individual Learning Plan (end of term 1) and Statement of Learning (end of term 4).

We will be offering 'Parent Chats' early in Term 2 where you will have a chance to have a short chat with your child's key teacher about their Individual Learning Plan. However if you have any questions or concerns please touch base now.

Annual General Meeting

Thankyou to those parents who attended our AGM on March 9. We had 7 parents attend and 5 apologies so we have a wonderful parent group going forward. If you're still interested in joining us please let us know. We are going to meet twice a term on Tuesday evenings.

Baha - Ayyam-i-Ha Festival

This year we have an Iranian & Pakistani family at preschool who offered to help us learn about their culture. Towards the end of February and the beginning of March Baha families celebrate a Festival called Ayyam-i-Ha.

Ayyam-i-Ha is celebrated by Baha'is' in countries all over the world. During this time families focus more than usual on generosity, love, compassion and friendship.

Staff read a short story with the children highlighting how we can all remember this in our everyday lives. The children then showed caring and friendship towards each other by drawing a picture for another child for them to could take home.

Thank you to Ellie, Elvin & Micah for sharing this with us.

Reporting children's learning

The children each have a learning portfolio that we will add to over the year. It will include curriculum information 'learning snapshots', photos, drawings, paintings and other pieces. The portfolios are kept on the shelf in the reading corner and you are welcome to have a look at them at any time. It is our plan to send them home later in the term for you to look at together.

From time to time we will be emailing you ***Learning Snapshots*** that show your child's learning these will be published and included in your child's portfolio.
